SECTION C -- DESCRIPTIONS AND SPECIFICATIONS

C.1 DESCRIPTIONS AND SPECIFICATIONS

Statement of Objectives Office Supply Store Cellular Phone/Handheld Accessories Consignment

General:

The Office Supply Store is seeking contractor services from a vendor to provide handheld accessory items to be sold on consignment in the Office Supply Store as described in this Statement of Objective (SOO).

Background:

The Office Supply store currently carries a limited supply of cellular phone and handheld accessories. This is because of rapidly changing technology and the multiple types of cellular phones and handheld units in use by House offices. Past history has indicated that it is very difficult to predict cellular phone/handheld purchasing patterns and therefore cellular phone/handheld accessory usage. Because of this the Office Supply Service would like to receive on consignment cellular phone and handheld accessories to sell in the Office Supply Store. This consignment would alleviate the cost of keeping an inventory on hand at House expense. The vendor would use designated space within the store and store staff would sell the units as normal stock to the Supply Store customers. The Office Supply Service would then pay for the stock as sales are registered based on the agreed upon terms.

The purpose of this SOO and its resulting award is to improve the selection, cost and availability of cellular phone and handheld accessories and current cellular phone and handheld accessory technology to House offices. This will provide the House with the best possible option for providing quick availability of cellular phone and handheld accessories to House offices without the burden to the House of costs associated with purchasing the inventory. This will also assist the Office Supply store in making the operations more efficient and cost effective and ensuring the provision of quality service to the House community.

Scope of Work:

Provide retail cellular and handheld accessory items for consignment to the U.S. House of Representatives, these accessories will support the approximately 4,000 cellular phones in use on the House campus. The items will be located in the Office Supply Store, B217 Longworth, Washington, DC. Please include the following general retail requirements as a part of your firm's proposal submission:

Space requirements - The Office Supply Store has allotted 8 feet of wall space for these accessories. Include any special displays/requirements that may be required for display purposes. Display units will not be provided.

Proposed Merchandise - Items must be up to date current products and also must be updated as needed based on the changing technology.

Pricing - Expected pricing is to be competitive with wholesale pricing. Provide a list of proposed items and pricing structure. Prices must be adjusted based on current market wholesale pricing.

Payment Terms/Inventory Control - The House is expecting to inventory, reconcile and pay for items on a monthly basis. The physical inventory and reconciliation process will be conducted by the vendor with House oversight. Provide a plan for resolution and mitigation of inventory and reconciliation issues. The contractor will be required to bring in the merchandise and stock/re-stock the product.

Other Significant Factors

All pricing changes must be submitted to the House and approved by the House.

All product changes must be submitted to the House and approved by the House.

(d) Of the extent and effect of the suspension; and

(d) Advising that the debarment is effective throughout the House, unless the CAO determines that limited business dealings between the House and the contractor are justified.

d. The decision of the CAO on the merits of a debarment shall be final. A decision may be appealed by the contractor, in writing, within 10 days of receipt of notification of the decision, to the Committee on House Administration, only in the event that the CAO failed to follow the procedures established herein.

SECTION M -- EVALUATION FACTORS FOR AWARD

M.1 HC.13.001 EVALUATION FACTORS FOR AWARD

JULY 2001

The House intends to make multiple awards to offerors whose proposals meeting the minimum requirements as stated in this RFP. Proposals will be evaluated based on the following evaluation factors that are listed in descending order of importance:

- (1) Product
- (2) Past performance
- (3) *Cost

*The proposal is presumed to represent the offeror's best efforts to respond to the solicitation. Any inconsistency, whether real or apparent between promised performance and price, must be explained in the proposal. For example, if unique and new approaches are the basis for an abnormally low estimate, the nature of these approaches and their impact on price must be explained. Any significant inconsistency, if unexplained, raises a fundamental issue of the offeror's understanding of the nature and scope of the work required. It also may reflect on the offeror's ability to perform the contract within the financial restraints and may be cause for rejection of the proposal. The burden of proof as to price credibility rests with the offeror.

1. Risk Assessment. Price proposals will be evaluated to identify and assess potential risks, which may be inherent in the offeror's approach. The estimated costs to correct any deficiencies in the offeror's proposal will also be evaluated.
2. Price Realism. Proposed pricing will be evaluated not only to determine if the price is reasonable, realistic, and affordable, but also to determine the offeror's understanding of the requirements.
3. Price. Evaluation factors other than price, when combined, are significantly more important than price.

M.2 HC.13.002 CONTRACT AWARD

JULY 2001

a. The House intends to award a firm fixed price contract for items sold or lost by the U.S. House of Representative resulting from this solicitation to the responsible offeror whose offer conforms to this solicitation, taking into account the factors contained in M.1 "Evaluation Factors for Award".

b. The House may:

- (1) reject any or all offers, if such action is its interest,
- (2) waive informalities and minor irregularities in offers received.

c. The House intends to evaluate proposals and enter into a single fixed price contract without discussion. Therefore, each initial offer should contain the offeror's best terms. However, the CO reserves the right to conduct discussions if they are later determined to be necessary.
